

Inspiring nature

EuraDesign

Colour your world with Euramax

**Your
idea...**

...is our
design

Inspiring nature

Natural materials offer ultimate designs.

However, there is an increasing need to preserve nature's originals. Natural building materials are often less practical for use. Stone is heavy, wood needs intensive maintenance and copper is expensive.

EuraDesign features natural pre-coated designs on light, formable, easy to maintain and 100% recyclable aluminium. The examples are just the start. You are invited to create your own design.

EuraDesign collection

EuraDecor PE	2 layers	Polyester
EuraDecor HDP	2 layers	High Durable Polymer
EuraDecor PUR-PA	2 layers	Polyurethane Polyamide
EuraDecor PVDF	2 layers	Polyvinylidene Fluoride
EuraDecor PVDF cc	3 layers	Polyvinylidene Fluoride + clearcoat
EuraDecor PVDF Lum	3 layers	PVDF + Lumiflon clearcoat

Guidelines

- Install panels in the same direction to avoid orientation differences
- Pattern appearance may slightly vary
- Order projects in one batch
- More designs available on www.euramax.eu/euradesign
- New colours and designs on request

aluminium
=
100% recyclable
